Advt. No. 152

DEFENCE RESEARCH AND DEVELOPMENT ORGANISATION (DRDO) RECRUITMENT & ASSESSMENT CENTRE (RAC) LUCKNOW ROAD, TIMARPUR, DELHI – 110054

RECRUITMENT OF SCIENTISTS IN DRDO

Closing date of Advertisement: 09 May 2025 (1600 hrs.)

In pursuit of self-reliance in critical technologies relevant to national security, DRDO formulates and executes programmes of scientific research, design, development, testing and evaluation of various systems, subsystems, devices and products required for defence of the nation. DRDO employs highly qualified and competent Scientists and Technologists in Group 'A' Technical Service known as Defence Research & Development Service (DRDS).

RAC invites online recruitment applications through RAC website (https://rac.gov.in) for the following posts in the DRDS cadre of DRDO:

Scientist 'F' (Ba	sic Pay: Rs.	1.31.100/-	Level 13A as n	er 7 th CPC) –	01 Vacancy
Jule Hust F (Da	SIC Fay. INS.	T.3T.TUU/	react TOW go n	CI / CFC/-	OT Vacalicy

Item No.	No. of Vacancies (Lab/Estt)	Subject/ Discipline	Qualifications & Experience	Equivalent acceptable subjects of Essential Qualification
	01 t 'E' (Basic Pa	Naval Architecture / Marine / Civil Engineering * y: Rs. 1,23,100/- , Level 13 a	Cualification: Essential: (i) At least First class Bachelor's Degree in Engineering or Technology in Naval Architecture / Marine / Civil Engineering from a recognized university or equivalent. (ii) Minimum 13 years' experience in research or design or development or production of marine structures. Desirable: (i) PG Diploma in Naval Construction is preferred. (ii) Master's Degree in Engineering or Technology in Ocean Engineering / Naval Architecture / Metallurgy / Material Science / Corrosion Science. (iii) Experience of working in ship lift facility / docking facility. (iv) Post Doctoral / Doctorate Degree in Engineering or Master's Degree in Engineering or Technology or Management in relevant field. (v) Knowledge of German, French, Russian, Japanese or Chinese. (vi) Four years' experience in Research and Development Management to manageand coordinate science & technology related activities in the area of Project Management or Material Management or Resource Management or Organisational Development.	 Naval Engg. Naval Architecture & Ocean Engg. Naval Architecture & Offshore Engg. Naval Architecture & Marine Engg. Naval Architecture and Shipbuilding Marine Engineering Oceanography Engg. Civil Engineering Civil & Structural Engg. Civil & Rural Engg. Civil & Water Management Engg. Civil & Infrastructure Engg. Construction Engg. & Management Any other relevant discipline with qualifying essential degree which mentions 'Naval' or 'Marine' or 'Civil' as the main discipline
Item	No. of	Subject/	Qualifications & Experience	Equivalent acceptable subjects of
No. 2	01	Discipline Naval Architecture / Marine / Civil Engineering *	Qualification: Essential: (i) At least First class Bachelor's Degree in Engineering or Technology in Naval Architecture / Marine / Civil Engineering from a recognized university or equivalent. (ii) Minimum 10 years' experience in research or design or development or production in the field of construction/repair / modernization of marine vehicles. Desirable: (i) PG Diploma in Naval Construction is preferred. (ii) Knowledge of marine vehicles covering resistance, propulsion, manoeuvring and seakeeping (iii) Master's Degree in Engineering or Technology in the relevant field as mentioned in essential qualification. (iv) Knowledge of German, French, Russian, Japanese or Chinese.	 Essential Qualification Naval Engineering Naval Architecture Naval Architecture & Ocean Engg. Naval Architecture & Offshore Engg. Naval Architecture & Marine Engg. Naval Architecture and Shipbuilding Marine Engineering Oceanography Engg. Civil Engineering Civil & Structural Engg. Civil & Rural Engg. Civil & Water Management Engg. Civil & Infrastructure Engg. Construction Engg. & Management Any other relevant discipline with qualifying essential degree which mentions 'Naval' or 'Marine' or 'Civil' as the main discipline

3	01	Electrical & Electronics	Qualification:	1. Electronics & Computer Engg
		/ Electronics & Communication /	Essential:	Electronics & Control Engg. Electronics & Communication
		Electronics &		System Engg
		Instrumentation	(i) First Class Bachelor's Degree in Engineering or Technology in Electrical &	4. Electronics & Telematics Engg
			Electronics / Electronics & Communication / Electronics &	5. Industrial Electronics Engg 6. Tele Communication Engg
			Instrumentation Engineering from a recognized University or Equivalent. (ii) Minimum 10 years' practical experience in Research / Design /	7. Telecommunication & Information
			Development / Production in one or more of the following:	Tech
			a. Power Generation and Distribution in Airborne / Naval Platforms	8. Applied Electronics & Instrumentation Engg
			b. Navigation and Communication Systems of Airborne / Naval Platforms	9. Electronics & Electrical
			c. Operation of Net Centric Equipment of Airborne / Naval Platforms	Communication Engg
			 d. Operation of Avionics, Navigation and Communication of UAVs 	10. Electrical with Communication Engg 11. Radio Physics & Electronics
			Desirable:	12. Electronics & Communication Engg (Avionics)
			(i) Master's Degree in the RF / VLSI / Microelectronics / Communication /	13. Electrical Power System Engg
			Control Engineering.	14. Electrical & Renewable Energy Engg 15. Power Engg
			(ii) Doctorate Degree in Electrical / Electronics / Communication Engg.(iii) Min. 3 years of Management Experience in Research / Design /	16. Power Electronics Engg
			Development / Production	17. Electronic Instrumentation & Control
			(iv) Knowledge of German, French, Russian, Japanese or Chinese.	Engg 18. Electrical & Instrumentation Engg
				19. Electrical Instrumentation and
				control Engg
				20. Power Electronics & Instrumentation Engg
				21. Electronic Communication &
				Instrumentation Engg
				22. Any other relevant discipline with qualifying degree which mentions
				'Electronics' or 'Electrical' or
				'Instrumentation' as the main discipline
4	01	Metallurgical	Qualification:	1. Metallurgy & Material Tech
		Engineering / Material	Essential	2. Metallurgical Engg.
		Science Engineering	Essential:	3. Materials Engg.4. Material Science Engg.
			(i) First Class Bachelor's Degree in Engineering or Technology in Metallurgical	Material Science & Metallurgical
			Engineering/ Material Science Engineering from a recognized University or	Engg.
			equivalent. (ii) Minimum 10 years' practical experience in Research / Design /	6. Any other relevant discipline with qualifying degree which mentions
			Development / Production in one or more of the following:	'Material Engg.' or 'Material Science'
			a. Aerospace or Aeronautical Materials	or 'Metallurgy' as the main discipline
			b. Characterization of Ti, Al, Ni based alloys, Steel, Nano Materials,	
			Magnetic Materials, Electronic Materials, Smart Materials etc	
			c. Casting / Forging / Additive Manufacturing / Welding of Aerospace or	
			Aeronautical Materials	
			Desirable:	
			(i) Master's Degree in Metallurgy Engg. /Material Science Engg.	
			(ii) Doctorate Degree in the field of Metallurgy / Material Science Engg.	
			(iii) Min 3 Years of Management Experience in Research / Design / Development / Production	
			(iv) Knowledge of German, French, Russian, Japanese or Chinese.	
	<u> </u>	1		

5	01	Chemical Engineering	Qualification: Essential: (i) First Class Bachelor's Degree in Engineering or Technology in Chemical Engineering from a recognized University or Equivalent. (ii) Minimum 10 years' practical experience in Research / Design / Development / Production in one or more of the following: a. Evaluation / Quality Assurance / Testing of Explosives, Propellants and Devices b. Applied Chemical and Polymer Technology c. Chemical/Polymer/ Additive Manufacturing/stealth/Nano materials. d. Quality Assurance or Quality control in Chemical/Polymer/Additive Manufacturing/Stealth/Nano materials. Desirable: (i) M. Tech / M.E in Chemical Engineering (ii) Doctorate Degree in the field of Chemical Engineering / Chemical Technology	 Chemical Engineering Chemical Technology Chemical Plant Engg. Applied Chemical & Polymer Technology Polymer Science & Chemical Technology Chemical Science & Technology Any other relevant discipline with qualifying essential degree which mentions 'Chemical' as the main discipline
			 (iii) Minimum 3 Years' of Management Experience in Research / Design / Development / Production (iv) Knowledge of German, French, Russian, Japanese or Chinese. 	
Scientist	'D' (Basic Pay	: Rs. 78,800/- , Level 12 as p	er 7 th CPC) – 04 Vacancies	
Item No.	No. Of Vacancies	Subject/ Discipline	Qualifications & Experience	Equivalent acceptable subjects of Essential Qualification
6	01	Mechanical Engineering	 Qualification: Essential: (i) At least First Class Bachelor's Degree in Engineering or Technology in Mechanical Engineering from a recognized university or equivalent. (ii) Minimum Seven Years' of experience in Design of new products, detailed design and engineering analysis, evolving of Technical specification, review of manufacturing drawings and liaising with fabricators, field engineering during installation and trials. Desirable: (i) Master's degree in Engineering or Technology in the relevant field as 	 Mechanical Engineering Mechanical & Automation Engg. Mechanical & Production Engg. Any other relevant discipline with qualifying essential degree which mentions 'Mechanical' as the main discipline

(ii) Knowledge of German, French, Russian, Japanese or Chinese foreign

(*) Marked posts are the ones in which candidates from all Divyang/PwD categories (except Visually Impaired) can apply. Remaining posts are the ones in which candidates from specific categories of Divyang/PwD candidates viz., Acid Attack Victims and Dwarfism only can apply.

IMPORTANT INFORMATION:

Online Submission of Application

As described above for different posts, the applicants should ensure that they satisfy the eligibility criteria (in respect of age, essential qualification, experience) as on the closing date of advertisement i.e. **09 May 2025 (1600 hrs.).** Candidates are required to first register online at the RAC website (https://rac.gov.in) for filling the online application form.

- a. On successful registration, the candidates may login and submit the online application before the closing date of the advertisement to avoid last minute network congestion.
- b. Candidates desirous of applying for more than one post must apply separately for each post. In such case, please mention the item no. (nos.) of all other posts where you have applied/intend to apply alongwith the order of preference for all Items in case of final selection against multiple Items.
- c. Applicants are advised **not to change their registered mobile number or Email** as vital information regarding their shortlisting/selection status will be intimated through Email / SMS.
- d. The applicants are advised to fill in/ upload documents for all their particulars carefully in the online application. After previewing the application along with uploaded certificates/documents, the application needs to be locked for submission. Only locked/finalised applications in all respects shall be considered. No correction in the data/application will be allowed and no document will be accepted once their application is finally submitted / locked.
- e. Candidates are advised to keep visiting RAC website(https://rac.gov.in) for regular updates regarding their eligibility status upon their login.
- f. Dispute, if any, will be subject to the Courts/Tribunals having jurisdiction over Delhi only.
- g. Candidates will have to produce all certificates, in original, for verification at the time of interview, if and when called for.
- h. Candidates are also advised to retain a printout/copy of the online application(.pdf format) after submission.
- Incomplete applications will be summarily rejected.

Eligibility

1. Academic Requirements

- 1.1 Candidates should be in possession of First Class degree in Engg./Technology certificate awarded by a recognised University or equivalent.
- 1.2 Candidates should possess the prescribed experience in the relevant field as mentioned under the column "Qualifications & Experience" and must have documentary proof for establishing the fact.

Weightage for higher qualification will be given based on the following conditions:

- (a) Weightage for higher qualification is equated to research experience and is given as:
 - (i) Post Graduate Qualification in Engineering: 2 years of weightage.
 - (ii) Post Graduate Degree in Medicine(For Medical Post only):3 years of weightage.
 - (iii) Doctorate Degree in Engineering: 4 years of weightage.

Note: Dissertation of ME/M.Tech. or Project/ Dissertation/ Thesis in case of Doctorate Degree in Engineering must be in the field relevant to the required area of experience for the given post.

(b) In case of candidate(s) possessing both (i)&(iii) above, weightage of higher degree only will be given subject to the note above.

- (c) Weightage of higher qualifications to be equated as experience only when the higher qualification is in the relevant discipline and the respective higher qualification(s) has been acquired before the closing date. Candidates are therefore, advised to highlight the experience acquired (either through Higher Qualification or Job Experience) matching to requirements mentioned under Essential and/or Desirable Qualification while filling the Justification column under 'Other' Section in the online Application form.
- (d) Maximum weightage upto 3 years only will be given for the work experience as **Research Fellow / Research Associate etc.** (for every completed year of experience) and in case of such candidate(s) possessing ME/M.Tech degree, weightage of one year only will be given for experience subject to the note above. However, in ADA Bengaluru, the designation of JRF/SRF has been re-designated to Project Assistant. Therefore, such Project Assistants (working at ADA only) will be eligible to get the benefit of weightage in experience that has been obtained post re-designation.
- (e) The period of study should not overlap with work experience.

(HOWEVER, THE WEIGHTAGE IS NOT AUTOMATIC. IT WILL DEPEND ON THE RELEVANCE OF THE HIGHER QUALIFICATION AND RESEARCH CARRIED OUT BY THE CANDIDATE RELEVANT TO DRDO).

2. Age Limit For Candidates (as on closing date of advertisement)

- a. For Scientist 'D'/'E'/'F': not exceeding 50 years.
- b. For Scientist 'C': not exceeding 40 years.

Relaxation in upper age limit(as per Govt. rules):

- a. Upto 10 years for Divyang/PwD candidates
- b. The upper age limit is relaxable up to 5 years for serving <u>Civilian Central Govt. Employees</u> working(<u>on regular basis</u>) in posts which are in the same line or allied cadres and where a relationship could be established that the service already rendered in a particular post will be useful for the efficient discharge of the duties of the advertised posts.
- c. The upper age limit is relaxable for Ex-servicemen including Ex SSCOs/ECOs as per rules in vogue.
- d. For vacancies pertaining to Sc C and above, category reservation is not applicable, therefore, there is no age relaxation under reserved categories

Note: Maximum age shall not exceed 56 years including any of the age relaxation mentioned above

3. Nationality

Only Indian Nationals can apply.

4. Work Experience

- 4.1 The required experience will be counted only after the date on which the essential qualification has been acquired. While counting the experience, the suitability of the level of experience possessed will also be considered. For details regarding Suitable level or Pay equivalence, please visit RAC website and check 'Pay Equivalence Criteria'.
- 4.2 All experience certificates/documents/promotion orders indicating length and nature of experience for each employment record should be uploaded.
- 4.3 For all posts, candidates should have attained the current experience level at one level below the post applied for before the closing date of the advertisement. Any experience below the Pay Level-10 as per 7th CPC or equivalent will not be considered. For details regarding Suitable level or Pay equivalence, please visit RAC website and check 'Pay Equivalence Criteria'.
- 4.4 Candidates who have worked or are currently working in Private Sector must submit proof of Pay drawn/Cost to Company (CTC) /CTC revision document/Form 16Aduring the period claimed as experience for the post. While determining the suitable level of experience, the Pay drawn /CTC/Form 16A will only be the sole criteria. For details regarding Suitable level or Pay equivalence, please visit RAC website and check 'Pay Equivalence Criteria'.
- 4.5 The period of experience rendered by a candidate on part time basis, daily wages, trainee or as a Visiting/Guest Faculty, Technical Assistant, Teaching Assistant, Research Assistant, Project Assistant (except for ADA) etc. will not be counted while calculating the suitable experience.
- 4.6 Experience certificates/proofs should contain name of individual, designation, salary drawn, date of joining with CTC/leaving and areas of work.
- 4.7 Candidates should upload all experience certificates, salary slips, promotion orders or proofs related to change in designation/pay scales/ctc revision etc. The length of experience i.e. date of joining alongwith Pay Scale/CTC and end date of each employment record should be available to verify the period of suitable experience.
- 4.8 The experience certificate/proof issued by Admin/ HR Head / Director / Principal / Dean / Registrar / Competent Authority of the Institution will only be acceptable. The experience certificates issued by Group/Division Head/ Project Head/ Professor or Head of department etc. will not be accepted.
- 4.9 Experience certificates related to Fellowships must be issued by the aforesaid competent authority.

<u>Cadre Controlling Authority (CCA) Declaration & Acknowledgement:</u>

- 4.10 All serving candidates (working in permanent or temporary capacity) working in Government or in Government owned organizations (PSU/Joint venture, Government promoted societies and Government /Non-Government companies / Agencies / Entities where Government or Government promoted companies/ Agencies/Entities have a combined controlling stake of 50% or more) need to upload a signed declaration at the time of online submission of application (as per format given on the website), undertaking that they have informed in writing to their Cadre Controlling Authority (CCA) about their application for the post in RAC, DRDO failing which their candidature will be rejected. In case of any objection over application, the employer may directly communicate with RAC (email: lateral1.recruitment@gov.in) regarding objection within 15 days of the closing date of online registration.
- 4.11 These candidates will be required to produce the proof (in original) of their communication with their employer i.e. THE INTIMATION TO THE EMPLOYER AND THE ACKNOWLEDGEMENT RECEIVED FROM EMPLOYER regarding their application for the desired post at the time of interview(if called for) failing which, their candidatures will be treated as cancelled.
- 4.12 Such Candidates shall ensure that the intimation will be made to the employer in the prescribed format only (available upon RAC website) else the intimation in any other format will not be considered.
- 4.13 Such Candidates should note that in case a communication from the employer is received by RAC withholding the permission to the candidate applying for the post, their candidature will be liable for cancellation.

5. Application Fee & Mode Of Payment

General, OBC and EWS male candidates are required to pay a non-refundable non-transferable application fee of Rs. 100/- (Rs. One Hundred only) payable online only. There is no application fee for SC/ST/Divyang and Women candidates.

6. Screening/Shortlisting

Screening of received applications will be carried out at multiple stages including:

6.1 **Administrative Screening** will be carried out for verification of identity, age, essential & higher qualifications and length of suitable experience at initial stage

- 6.2 For all Administratively Eligible applications, **Technical Screening** (may be at two levels, if required) will be carried out for verification of suitability of experience possessed by the candidates with the experience advertised against each vacancy. Technically screened applications (**Biodata based Technical Screening at Level-1**) will be shortlisted for further selection process in the **Predefined Ratio*** by adopting any one or more of the following methods:
 - a. On the basis of educational qualifications and / experience
 - b. Relevance of suitable experience
 - c. On the basis of Desirable Qualification
 - d. By holding a Technical Screening Committee Meeting including Technical Experts from Industry/ Academia/ DRDO
- 6.3 Subsequent to technical screening at Level-1, in case the no. of candidates shortlisted for Final Personal Interview in accordance to any of above mentioned methods is large, then further shortlisting may be carried out by conducting **Technical Screening at Level-2 i.e. Preliminary Online Interview** of short duration (10-15 minutes). The number of candidates to be shortlisted for Preliminary Online Interview is as under (subject to their availability):

*Predefined Ratio for candidates to be called for Preliminary Online Interview (if applicable)

(i)	For one Post	Upto 24 candidates only
(ii)	For 2-3 posts	Upto 48 Candidates only
(iii)	For 4-6 posts	Upto 72 Candidates only

Based upon the performance in the Preliminary Online Interview, candidates will be shortlisted fo rthe Final Personal Interview in the following **Predefined ratio**** subject to their availability:

**Predefined Ratio for candidates to be called for Final Personal Interview

(i)	For one Post	Upto 12 candidates only
(ii)	For 2-3 posts	Upto 24 Candidates only
(iii)	For 4-6 posts	Upto 36 Candidates only

The following is hereby informed:

- In case, the administrative screening at initial stage does not result in sufficient no. of eligible candidates (i.e. min. of 06 candidates against one vacancy), then the subsequent selection process for said vacancy may be cancelled.
- in case, the technical screening(at Level-1 or at Level-2) does not result in sufficient number of candidates (min. of 06 candidates per vacancy for Final Personal Interview), then the number of vacancies will be reduced to the number for which the number of candidates is found to be sufficient for Final Personal Interview. If it is not sufficient for even one vacancy then the recruitment process for that item will be cancelled.
- In case of cancellation of recruitment process due to any of the above mentioned reasons, the respective posts may then be re-advertised.

Note: RAC reserves the right to modify the screening/shortlisting procedure depending upon the availability of suitable candidates

7. Selection Process

- 7.1 The final selection of candidates will be purely on the basis of merit of marks scored by a candidate in the final personal interview only. For all vacancies, the candidates must score a minimum of 75% marks (i.e. 75 out of 100) in the Final Personal Interview for consideration for selection. The intimation/interview schedule for the same will be provided through RAC website.
- 7.2 All decisions in all matters relating to eligibility, acceptance or rejection of application shall be final and no enquiry or correspondence will be entertained in this connection from any individual or his/her agency.

8. Liability To Serve

As per the Central Government Rules, selected candidates will have the liability to serve anywhere in India including remote/ field area locations.

9. Closing Date

Online submission will remain available on RAC website upto 09 May 2025 (1600 hrs.).

10.General Instructions

- 10.1 Candidates will be shortlisted for personal interview on the basis of the information provided by them in their online applications. They must ensure that information provided by them is correct. If at the time of interview or at any subsequent stage, any information given by them or any claim made by them in their online application is found to be false/ incorrect, their candidature will be rejected and they may also be debarred either permanently or for a specified period from appearing in any future selection activity conducted by RAC.
